## RAPORT DE INCERCARE nr. / data emiterii: PF1193575 / 18-04-2019

Provenienta probei: proba apa potabila retea

Adresa prelevare: 5. B-dul Ion Mihalache nr. 60, Piata 1 Mai - cismea publica Data primirii probei / data efectuarii analizelor: 15-04-2019 / 15-04-2019 - 18-04-2019

Cine a recoltat proba: Varlan Polifron Cristinel

## I.DETERMINARI FIZICO-CHIMICE - Conform Legii 458/2002 (cu modificarile ulterioare)

| Nr.<br>crt. | Indicatori organoleptici si fizico-chimici | Unitate de<br>masura        | Valori<br>obtinute                  | Valori maxim admise<br>(conf.L. 458/2002)                | Referential               |
|-------------|--|-----------------------------|-------------------------------------|--|---------------------------|
